PROMPT PROFESSIONAL PROPERTY ADVICE

Stephen Hodge Associates Ltd is a Chartered Building Surveying practice, staffed by mature and experienced personnel. We provide high quality, straight forward advice to domestic and commercial clients.

We are a multi-disciplinary team giving you a greater scope of service to provide "Prompt, Professional Property Advice"

BUILDING SURVEYS

Supporting you by providing a detailed inspection and essential advice prior to purchase or sale therefore giving you confidence and peace of mind.

INSURANCE PROPERTY CLAIMS

Over 30 years experience dealing with insurance property claims including fire and flood damage restoration and subsidence solutions. We use our technical and practical skills as your advocate.

PROJECT MANAGEMENT

Every project is overseen by a Director and all aspects of the project are managed by us on your behalf from inception to completion.

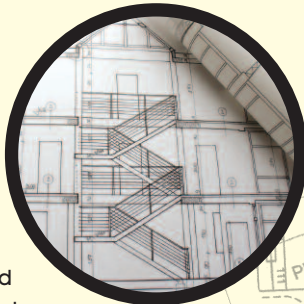

PERIOD PROPERTIES

Offering 30 years experience in using traditional methods and techniques in the sympathetic extension, restoration and conversion of period and listed properties.

ARCHITECTURAL DRAWING AND DESIGN

Innovative designs tailored to your requirements taking into consideration practicalities and technical developments to produce an innovative solution.

DEFECT DIAGNOSIS

Identification of building defects to determine causation allowing us to advise you on remedial action.

GREEN ISSUES

We endeavour to remain at the forefront of technical developments including energy conservation. We can provide you with research based objective advice to enable you to make informed decisions.

PARTY WALLS

We provide legal and technical advice dealing with the complexities of the Party Wall etc Act. Supporting you in protecting your property.
